AMVETS Post 123
PO Box 1930
Danville, KY 40423

We were unable to hold any of the monthly meetings in August due to lack of participation. The birthday card for one of the nursing home veterans is at the post. Please stop in and sign it. It won't be mailed until after the first week of September.

I am trying to keep the newsletter going out to the members but it gets hard when I do not receive any information to put in the newsletter. I need to get the information from the Ladies, Sons and AmVets on meeting day in order to get the newsletter ready to be picked up for printing, returned to me for addressing and mailed. This meeting day I received no newsletter articles. This has happened several times. Since the meeting I have received an article from the Ladies for the newsletter and they have a lot to say to the members of Post 123.

Thank you, Donna Brown

LADIES AUXILIARY

Opinion

Greetings to all,

This is my first time to contribute to the newsletter but I hope it won't be my last . I feel everyone should be contributing in some way to every endeavor that the Post undertakes. Post 123 could be one of the outstanding Post in the state if everyone of us became involved in some way. The Amvets are doing an outstanding job with putting out a newsletter and our reason for being the Ladies Auxiliary is to help the AmVets in every way, but there has to be participation of the membership for Our Post to grow. Two or three people cannot be expected to do everything that is involved in every endeavor that is undertaken. It is all well and good to say we are members of AmVets Ladies auxiliary but to be true members we have to do more than carry a membership card. I know we are all limited at times as to what we can do, but there are things that all of us can do to help. There was a lot of work that went into getting the Charter for the Ladies Auxiliary and I for one would not like for the Auxiliary to fold for lack of participation. The membership has grown but participation has gotten no better. There are programs that our Auxiliary should be involved in and would be involved if we could get the membership involved. It is sad to say but at times for Karaoke there are more guests that attend than members and the pool tournaments have had to be canceled for lack of players. The dates are published in the newsletter so everyone knows when these events are to take place. Also the meeting dates are published in the in the newsletter and if you receive the newsletter every month there is no excuse for not attending the meetings. This is also directed at the Sons as well as the AmVets. On the date for the meeting in August there weren't enough Ladies, Sons or AmVets present to hold meetings--- this is really sad for any organization. The lack of participation is the main reason that this Post is going nowhere. A handful of people should not be expected to do everything that has to be done within the Post. This is an opinion from the Officers of the Ladies Auxiliary and does not reflect any opinion from anyone else.
